Recital Information

Please be sure that you have picked up your recital package from the office. Inside you will find information about ordering your tights, flowers, etc. Everything, with the exception of tights and recital fees, are optional. We offer these services to you as a convenience.

Tights: All female dancers are required to have new tights for the recital. Orders are due by **April 8th**. Performance tights will ensure that everyone's legs look identical under the bright stage lights. We do not want some dancers in "Ballet" pink tights and others in "Theatrical" pink. Your Performance tights need to be worn for pictures and the show, then you may wash and use them for classes next season.

Flowers: It is traditional to give flowers to a dancer after a performance. All you have to do is pick yours up in the lobby at the Recital. We're preselling ½ dozen roses and they are Beautiful! It's so easy. See anyone in the office to reserve yours. Orders are due by May 6th.

Pictures: Pictures will be taken at the studio in full costume the week of April 26-30. The schedule is available in your recital package. Purchase of pictures is optional. Please arrive on time and picture ready. There is no sitting fee. We will hold your photo shoot in lieu of classes April 26-30. If you do not want individual pictures please come anyway; we will want you for the Group Photo.

Tickets: Each family will receive two free tickets to the recital. Extra tickets are \$8.00 (\$10.00 at the door). Seating is first come first serve. Any person that occupies a seat will need a ticket. This includes car seats and siblings. Do not bring strollers. Saving seats is prohibited. If you leave an item slung over a seat to save it, you may find it in the Lost and Found.

Recital Videos: We have a new videographer this year. We're very excited that Robert Pettus of Rdp3 Photography will be filming our shows. They will be using 2 cameras and filming everything in High Definition. Blu Ray will also be available. You can get an order form from the lobby at the Recital.

PHOTOGRAPHY OR VIDEO OF ANY KIND IS ABSOLUTLY PROHIBITED AT THE RECITAL. Videotaping is dangerous, and distracting to the performers and other audience members. We want to protect your children, our choreographers, fire codes, audience members, copyright laws, and dancers. Should a guest choose not to follow this rule, we will stop the show, and ask them to leave the auditorium. This is very disruptive for the performers, embarrassing to the guest, and uncomfortable for everyone. We regret that we must strictly enforce this policy. Thank you for your cooperation.

Spring Has Sprung

Spring is an exciting time at The Wake Forest Academy of Fine Arts. Pictures, Summer classes, costumes, recital and Fall registration are the talk of the studio. This newsletter is full of important information you will need for the next two months. Please

remember that we are here to help you. Don't hesitate to call or stop by the office with any questions. That's what we're here for!

Costumes

Costumes will be distributed the week of April 12th. All accounts need to be clear in order to take your costumes home. This includes all tuition and the recital fee (\$25.00 per family). We regret that we must enforce this policy.

Thank you for your understanding.

Parent Observation

We will hold Parent Observation May 10-14. We can't wait to show you all we have learned throughout the season.

Recital T-Shirts

Our "Kaleidoscope" T-shirts are available! All performers' names are on the back. This makes a great keepsake and wonderful memories for years to come.

T-shirts are \$12.00 for child sizes and \$14.00 for adult sizes.

Performance Tights

Performance tights are required for all female dancers. More information is on the next page. Don't forget to order early so you receive them with your costumes. Performance tights need to be worn for pictures and the recital. Then they become your class tights for next year.

Dress Rehearsal

The dress rehearsal will be held at Louisburg College auditorium on May 14th. Attendance is mandatory for all performers. The dress rehearsal schedule is in your Recital Package. It will also be available in the May newsletter.

We try to get your dress rehearsal time as close to your class time as possible. Please do not wear your recital tights for rehearsal; save them for performance.

Classes after Recital

May 17-21 we will hold classes. This was SO MUCH fun last year. You will have your regular technique classes the week after recital. Bring a friend to class! We'll be performing for each other and celebrating another fabulous KALEIDOSCOPE! It's lots of fun; after the show is always an important bonding time for a group of performers. We look forward to seeing you in class the week after recital!

Recital Program

Be sure that each dancer has checked the spelling of their name for the recital program. Also, if you would like to place note of encouragement in the Recital program you may do so. Just see anyone in the office for an order form and samples of years past. It's a great keepsake and we even accept business ads.

Other News

Volunteers are still needed for the recital. Please obtain a form inside your recital package or you can pick one up in the office. We promise you will not miss your dancer's performance. Actually, **volunteers get the best seats in the house!**
